Hi Bill,

On behalf of CSA, I want to thank you so much for coming to our event on Saturday! Everyone had so much fun, and we received so many compliments about the organization and the cars themselves! We could not have had such a successful event without you. As soon as we get the date for Family Weekend, I'll let you know when we need you booked for next year!! I can't imagine doing a car show with anyone else! Again, thank you so much!

Best,

The show also couldn't have done without your assistance. Your smiling faces and giving direction to the car registrants goes a long way with these folks. Oh as a matter of fact I just added this to the very first trophy winner in the photo album. And as one of my car show assistants stated "The Show Went very Smoothly"
